Persons receiving the *Register* with the above mark set opposite their name, will know that the term for which they have subscribed has expired. In all cases, but one paper will be sent after the expiration, unless an arrangement for continuation by letter or otherwise is made. Subscribers are respectfully solicited to renew their subscriptions at an early date; by so doing there will be no break in the regular receipt of the paper, and they will also be conferring a great favor upon us.

The Law of Newspapers.
1. Subscribers who do not give express notice to the contrary, are considered as wishing to continue their subscriptions.
2. If subscribers order the discontinuance of their papers, the publisher may continue to send them until all arrears are paid.
3. If subscribers neglect or refuse to take their papers from the office, they are held responsible until they have settled their bills and ordered the paper discontinued.
4. If subscribers remove to other places without informing the publisher, and the paper is sent to the former address, they are held responsible. The courts have decided that refusing to take a paper from the office, or removing and leaving it uncollected for, is prima facie evidence of intentional fraud.

NOTICE.—The Congregational Social Aid Society will meet at the residence of Daniel Lardner, Sr., on Tuesday evening next, October 29th, 1861. All are cordially invited to attend.
Mrs. L. M. BROWNE, Sec'y.

LIST OF PREMIUMS.—The list of premiums awarded at the recent fair of the Cass County Agricultural Society, will be found on our third page.

Our thanks are due to L. D. F. Moore, Quarter-master Sergeant of Co. M, First Michigan Cavalry, for late Baltimore and Washington papers.

LOYD'S OFFICIAL MAP OF MISSOURI.—We have received from Mr. Jas. T. Lloyd, of 164 Broadway, New York, an admirable map of Missouri, which should be in the hands of every man interested in the fearful contest between government and anarchy, that is now taking place in that beautiful State. Price 25 cents. Mr. Lloyd is also the publisher of many other valuable maps, for which Agents are wanted. Address as above.

MAP OF THE SOUTHERN STATES.—Frank Leslie's Illustrated Paper, for October 29th contains a large and reliable map of the Southern and border States, showing the positions of the Federal and Rebel forces, the various fortifications, the blockading fleets, and the important battles that have been fought. It should be in the hands of every one desiring to keep posted in the progress of the war. For sale by Alward.

We acknowledge the receipt of a splendid Specimen Book from the Cincinnati Type Foundry and Printing Machine Works, corner of Vine and Longworth streets.

NEW ELEVATOR.—We are glad to learn that one of our most enterprising Warehouse firms is about commencing a new Elevator on the North Branch, to be used mainly, we believe, for receiving grain which comes in over the Chicago and Northwestern Railroad. It will be of the largest size, and built in the most substantial manner, and will be completed at an early day. It will be furnished with ten of Fairbanks' five hundred bushel Hopper Scales, each one of which, so perfect will be the machinery, can be loaded to its full capacity and the load discharged in a few minutes. This shows the immense amount of grain which can be handled in this Elevator, and is a sufficient guaranty to farmers as well as receivers and shippers, that correct weights will be given.—*Chicago Tribune.*

WATCH WHILE YE PRAY.—We are providentially surrounded by many good things, which tend to our happiness and comfort, which would be out of place to enumerate or discuss in this article; but at the same time we are surrounded by many things which are evil, one of which, is the midnight prowling horse thief. And for whose special benefit a society was formed in the Townships of Volinia and Wayne, on the 12th day of January, 1853, which has flourished up to the present time, as its long list of members, and large amount of cash at interest will testify. The society is well organized and ready for action at a moment's notice. We would strongly urge the necessity of organizing such societies in other localities to more effectively guard against the depredations of those despicable outlaws; and afford security in the localities in which they are located. The rules, regulations, and mode of operation are not made public. * Volinia, Oct. 18th, 1861.

Cameron's orders to Fremont.
[Washington Correspondence N. Y. Tribune.]

The following is a copy of the very important order issued by the Secretary of War before he left St. Louis, and after he had visited Gen. Fremont at Tipton:

"St. Louis, Mo., Oct. 14, 1861.
"GENERAL: The Secretary of War directs me to communicate the following as his instructions for your government:

"In view of the heavy sums due, especially in the Quartermaster's Department in this city, amounting to some \$4,500,000, it is important that the money which may now be in the hands of the disbursing officers, or be received by them, be applied to the current expenses of your army in Missouri, and these debts to remain unpaid until they can be properly examined and sent to Washington for settlement; the disbursing officers of the army to disburse the funds, and not transfer them to irresponsible agents—in other words, those who do not hold commissions from the President, and are not under bonds. All contracts necessary to be made are to be made by the disbursing officers. The senior Quartermaster here has been verbally instructed by the Secretary as above.

"It is deemed unnecessary to erect field works around this city, and you will direct their discontinuance; also those, if any, in course of construction at Jefferson City. In this connection, it is seen that a number of commissions have been given by you. No payment will be made to such officers, except those whose appointments have been approved by the President. This, of course, does not apply to the officers with volunteer troops. Col. Andrews has been verbally so instructed by the Secretary; also, to make transfers of funds, except for the purpose of paying the troops.

"The erection of barracks near your quarters in this city is to be at once discontinued.

"The Secretary has been informed that the troops of Gen. Lane's command are committing depredations on our friends in Western Missouri. Your attention is directed to this, in the expectation that you will apply the corrective.

"Major Allen desires the services of Captain Turnley for a short time, and the Secretary hopes you may find it proper to accede thereto.

"I have the honor to be, very respectfully, your obedient servant,
"L. THOMAS, Adj. Gen'l."

"Major General John C. Fremont, Commanding Dep't of the West, Tipton, Mo."

PERSONAL.—The "sarkastical" and "goading" Artemas Ward, is in the lecture field. His acquaintance can be made by addressing Charles F. Brown, Vanity Fair office, New York. He is now engaged in the Rochester course.

Battle Near Leesburg.

WASHINGTON, October 21.
Gen. Stone crossed the Potomac this morning, with one portion of his command, at Edwards' Ferry, and the other at Harrison's Island. Skirmishing began between the enemy in uncertain numbers and Gen. Stone's command as early as 9 o'clock in the morning, and continued without much effect until 5 o'clock in the afternoon, when large reinforcements of the enemy appeared upon our right, which was commanded by Col. Baker. The Union forces engaged were about 1,800, and were attacked by a force supposed to be from 5,000 to 6,000. At this juncture Col. Baker fell at the head of his brigade while gallantly cheering on his men to the conflict. Immediately before he fell he despatched Major Young to Gen. Stone to apprise him of the condition of affairs, and Gen. Stone immediately proceeded in person towards the right to take command, but in the confusion created by the fall of Col. Baker, the right wing sustained a repulse with considerable loss. Gen. Stone reports that the left wing retired in good order. He will hold the approaches thereto. Strong reinforcements will be sent forward to Gen. Stone during the night.

The remains of Col. Baker were removed to Potomac, and will be brought to this city on Wednesday.

EASY FAULT FINDING.—Some exceedingly captious papers desire to know why General Cameron rides in a special car—and if an ordinary car is not good enough for him in these expensive times? The reply is, that these special trains are a compliment by railroad officers, and cost the Government nothing.

COMPLEXION.
It is an impossibility for any person afflicted with a diseased liver, or with any disorder of the digestive organs, to have a good or clear complexion. "Hoffman's German Bitters" will remove all disease from the liver and digestive organs, and by thus giving health and strength to those organs, remove that sallowness of appearance and roughness of the skin noticed in so many. These Bitters are prepared by Dr. C. M. Jackson & Co., 415 Arch Street, Philadelphia, Pa., and sold by all druggists and dealers in medicines at 75 cents per bottle.

OFF FOR THE WAR.
"There's not a trade that's going
Worth showing
Or knowing.
Like that from glory growing.
For a bowl of sugar boy."

Persons leaving for the seat of war should not be unprovided for their health. Disease will kill more of our gallant soldiers than the enemy's bullets. To cure fever and other sickness peculiar to the climate and camp life, have with you a few of Herick's Sugar Coated Pills. Millions have tested them. They never disappoint the sick. Large boxes 25 cents.

The Albany Evening Standard says: "Our popular townsman Dr. Herick has supplied gratuitously all the volunteers which have left the city for war with his pills. He has also, with his accustomed liberality, contributed one hundred dollars towards the support of the families of the 25th Regiment, and offers more if necessary."

Such a man should be respected and patronized. We are glad to learn that the sale of Herick's Pills in Hudson exceeds that of all others combined. See advertisement on third page. aug22-1861

MOTHERS, READ THIS.
The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine—Mrs. Winslow's SUGAR COATED PILLS FOR CHILDREN.

"We see an advertisement in your columns of Mrs. Winslow's SUGAR COATED PILLS. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers, that this is no humbug—WE HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS. IT IS, PROBABLY, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay in a supply."
